

Hungarian Ergonomic Society  
Ergonomics Sub-committee of the Hungarian Academy of Sciences  
European Conference on

# Applied Ergonomics

30<sup>th</sup> May, 2013

Chair: **Gyula Szabó**

9.30 Morning session

## Opening

**Kenichi Hirose** (ILO) - Improving safety, health and working conditions - from ILO's perspectives

**Sylvain Leduc** (France) - white paper and future of FEES

**Károly Hercegfői, Józsa, E., Varga, T.** (Hungary) – Eye Tracking in Usability Evaluation Practice

**Huget Désiron** (Belgium)- “Rehabilitation ergonomics” as a strategy to support return to work for (breast)cancer survivors

**Zoltan Dunajcsik** (Hungary) – Ergonomic risk analysis applications at the industry

**H. Kalkis, V. Kalkis, Z. Roja** (Latvia) - Ergonomics development in Latvia

Organisers

## Maggie Graf,

Centre for Registration of European Ergonomists (CREE)

## Lajos Izsó,

Budapest University of Technology and Economics

## Sándor Horváth,

Óbuda University

## György Kaucsek,

Hungarian Ergonomic Society

## Sylvain Leduc,

Federation of European Ergonomic Societies

## József Varga,

Hungarian Academy of Sciences

13.00 Afternoon session

**Maggie Graf** (Switzerland) - Certification of Ergonomists in Europe

**Sándor Kovács, József Varga** (Hungary) – Physiological measurements. Complex stress and strain of human.

**István Miniska** (Hungary) – Workplace Health Promotion and Ergonomics in Hungarian Oil industry

**Thomas Stüdeli** (Switzerland) – Motion capture technologies supporting medical interventions

**Ernst A.P. Koningsveld** (Netherlands) – Future of ergonomics in Europe

**Tommaso Bellandi** (Italy) - An ergonomic approach to prevent patient falls

networking break

Venue

Óbudai Egyetem

Bánki Donát Gépész és Biztonságtechnikai  
Mérnöki Kar

Budapest, Népszínház utca 8.

Room 145

Előzetes regisztráció után a rendezvény látogatása díjtalan:
